Core Group Minutes, 2-4-15

Attendees: CW Mitchell, Clarence Baisdon, Jim Pernal, Glen Terry, Pete Myers

Feb meeting presentation will be Clarence Baisdon on Apple Security (sandbox) and wi-fi (extenders, password protection)

Mar meeting presentation (tentative) will be Jim Pernal on Yosemite with an additional presentation by Tom Thorpe

Idea for future presentation: Mac maintenance - by Pacific Premier or Advanced Microsystems?

Beginners group MacBook - Jim bought one, thanks Jim

SQL vs Filemaker - ball is in CW/Dr Dave's court

Discussed use for Club treasury balance - no conclusions

Federal Govt filings - Clarence, CW and Glen will follow up with Arnold and Wayne Inman

Website/Wiki - Is Bob Brooks still on the hook? Jim will look at putting up newsletter. We need a new photo and monthly updates for upcoming meeting, meeting topics, etc

CW will invite Fran to future Core Group meetings

Pete will forward Allison's email address to Kent
