1. Upcoming Presentations

July - Joan King on Mac Backups
Aug - Kent/Screencasts Online (tentative)
future:
• 	Glen or George on Apple TV (30 min presentation?) - there is some
	interest; must address latest model
• 	Arnold is working with VPN, will do 10 min talk
• 	Google+ topic for future presentation - delete this, G+ is squirrely
• 	SMOG (OC MUG) speakers may be available for SBAMUG; Kent will
	consider as source for future presenters

	prefer limiting scope to USB; he will work on 20 min talk for Aug or
	Sep
• 	iTunes for phone backup - Joan will add this to her presentation
