

Attendees: Kent, Arnold, Jim, Joan, CW, George, Pete, Nancie

1. May 29 presentation - Camera & Photo Apps with Don Stouder
2. Jun 26 presentation - George will do Mac OS10.15 & iOS13 with emphasis on impact of loss of 32 apps on Mac OS
3. Future presentation possibilities
  - Mesh routers - Dave Hamilton is expert, but lives in NH; mesh router vs extender, Kent will ask at next meeting if members are interested
  - Subscription model for apps, etc
4. Internet speed at VFW is sloooow - use hot spot? Problem is hot spot uses data.
5. FaceTime audio and video quality are good. Can only join on one device.
6. Future core group meetings will be held 6 days after main meeting.
7. Joan recommends Memory Clean, \$10 from FIPLAB
8. membership total = 88
