CONTROLLING THE CAMERA

The background features a vertical gradient from red at the top to blue at the bottom. On the right side, there are several technical diagrams: a large circular scale with degree markings (90, 100, 110, 120, 130, 140, 150, 160, 170, 180, 190, 200) and arrows, and a smaller circular diagram with concentric circles and arrows. In the bottom left corner, there are dashed circular lines with arrows indicating a path.

FINE-TUNE LIGHTING

The image shows an aerial view of a resort complex with several swimming pools, palm trees, and buildings. The sky is clear and blue. The resort is situated near a body of water, possibly a lake or a large pool. In the background, there are mountains and a city skyline.

A COUPLE INTERESTING APPS

The background features a vertical gradient from dark blue at the bottom to bright red at the top. It is decorated with faint, semi-transparent circular patterns and a large, detailed circular gauge on the right side. The gauge has a scale from 0 to 200 and a needle pointing towards the 180 mark. There are also several smaller circular icons scattered across the background, some with arrows indicating direction.
