

Attendees: CW, Jim, Arnold, Pete

## 1. Upcoming Presentations

Jan 31 - Adam Christianson on Photos for Mac OS and iOS

Feb 28 - Jim Pernal on High Sierra, Tom Thorpe on WiFi (in)Security

2. Kent is taking Adam Christianson to dinner before his Jan 31 presentation, MUG will pick up the bill; Pete will send out early notice of meeting and get newsletter out early in effort to achieve max attendance

2. Survey - would be difficult to change meeting time or location  
make meeting more interactive - will encourage speakers to leave time for Q&A, will try to have people available for one-on-one during break

3. CW and Nancie are working on update to contact list - ball is in Nancie's court

4. Ellen has volunteered to do treasurer job - CW will be glad to hand it over, next step is conversion from Quicken to Excel, Ellen has to get on Google+

5. Presentation via Skype - we have not figured out how to do this; problem is interface between Skype and Apple TV, maybe George is the one who can make this happen

6. #members = 97, deficit for 2017 = \$387
