attendees: Kent, Jim, CW, Joan, Arnold, George, Pete

1. May 30 presentation - Jim on Adware

    future:
    • Pat Dengler will team up with Allison for a future presentation
    • Home Pod - George & Glen are users, Don McAllister has a 33 min video, Kent has 45 min video comparing Home Pod to its
                    competitors
    • Apple Watch - has many uses, latest model can be used as phone; is there widespread interest?
    • Social Media/Security - Ellen & Anil are not available, will delete this item for lack of a presenter
    • iOS 11 - George is likely presenter
    • iPad Pro/Apple Pencil - Pete will look for artist presenter
    • Email - iCloud mail ([me.com](me.com), [mac.com](mac.com) and [iCloud.com)](iCloud.com) is simplest option, but people are reluctant to change
    • MacLife & MacWorld have useful articles, Kent will think about how they could be used as a presentation
    • Airdrop is a method for bluetooth data transfer, topic for future?
    • Mesh networks are new technology for home Wifi; topic for future?

2. CW and Nancie are working on update to contact list - CW was to contact Dr Dave to get everybody list; no discussion on this

3. Presentation via Skype - we have not figured out how to do this; San Diego users group does it; no discussion on this
    • Need capability to do have Q&A between audience and remote presenter
    • Jim has question on Skype via AirPlay
    • VFW wi-fi bandwidth may not be sufficient; I ran speedof.me and got 8 Mbps down, 1 Mbps up
    • Do we need premium Skype to do conference call?
    • Use 4G instead of wi-fi?

4. Malware protection - Kent uses MacScan, George uses Malwarebytes; Pete will put together an article for newsletter or website

5. Square - not much demand, too expensive, was going to delete this item, but George says we should reconsider

6. Financial, membership, other - no discussion

7. Sound quality issues on Google Hangout - sound breaking up, speaker unable to hear others talking at same time; was this a one-time problem?
