

Attendees: Kent, Jim, Joan, CW, George, Pete, Arnold, Nancie

1. Upcoming Presentations

Mar 25 • iOS Shortcuts by Screencasts online

Others for future

• draw.io by Screencasts online

• Clean Install by Screencasts online

• Set App/other subscription services by George

• Capto by Screencasts online

Arnold offered to do short presentations during or after beginners session on Quick Look, Preview, Audio Books, Calendar and Cmd Tab - he will do Quick Look at the March meeting

2. VFW internet and wifi performance is subpar. Meeting with VFW and Spectrum occurred Jan 29.

VFW contractor said he can increase speed without hardware fix. He did not. Kent will talk to Tina of VFW.

3. Pat Dengler does audio recording of LAPUG meetings using a \$50 microphone. We could do the same. Jim

listened to Pat's recordings. There is some background noise. Could be eliminated if we got audio from PA. Is there a demand for this? Pete will send email asking if there is interest and if we have a volunteer. Dr Dave, if you are reading this, can you tell how many people read the presentation charts on our website?

4. Financial, membership - one new member. Don't know how he heard about us. Nancie will call non-renewals.
