Lock Screens on my iPhone 14 Pro Max

Dynamic Islands on my iPhone 14 Pro Max

New iOS 16 iPhone Features

Available for Most Recent iPhones

Upgrading to iOS 16 is almost like getting a new iPhone!

New Personalized Custom Lock Screens

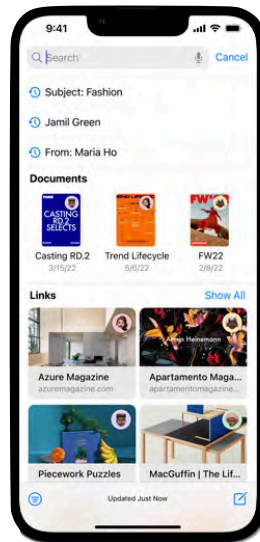

- ★ Showcase favorite photos, customize font styles, and display a set of widgets
- ★ Widgets let you quickly see weather, calendar events, notifications, etc.
- ★ Easily switch between multiple Lock Screens

New Safari Features

- ★ **Shared Tab Groups** shares tabs and bookmarks with others and they can add tabs too
- ★ **Passkeys** is an easier and safer sign-in method that eliminates the need for passwords
 - Passkeys use iCloud Keychain public key credentials
 - Your Apple device generates a unique public-private key pair for every account
- ★ **Website settings sync** will sync settings for specific websites across all of your devices
- ★ **Web page image translation** uses **Live Text** to translate text in images

New Apple Mail Features

- ★ **Smart search** gives better and richer search results
- ★ **Undo send** deletes email messages before they reach the recipient
 - Available for only 10 seconds after sending
- ★ **Schedule send** schedules email messages to be sent at a later time
- ★ **Follow-up** facilitates quickly sending follow up email messages
- ★ **Remind me** resurfaces emails at a selected future date and time
- ★ **Rich links** can be added to email messages for more content

New Apple Messages Features

- ★ **Edit message** allows you to edit a message for up to 15 minutes after sending it
- ★ **Undo send** unsends any message for up to 15 minutes after sending it
- ★ **Recover deleted messages** recovers deleted messages for up to 30 days
- ★ **SharePlay via Messages** allows sharing of activities while chatting in Messages
- ★ **Live Captions** captions spoken content in real time
- ★ **Collaboration updates** provide richer collaboration capabilities

New Apple Photos Features

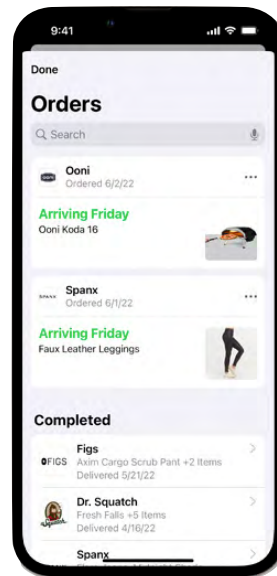

- ★ **iCloud Shared Photo Library** lets you share photos and videos seamlessly with up to five other people
- ★ **Extract subject from photo** allows you to isolate, copy, share, drag and drop objects in a photo or paused video
- ★ **Duplicate photos** lets you easily identify and delete duplicate photos

iOS 16 Smart Dictation

- ★ Use Dictation with voice and the keyboard together
- ★ Move seamlessly between voice and touch to enter text
- ★ Type with the keyboard, tap in the text field, move the cursor, and insert QuickType suggestions, all without needing to stop Dictation
- ★ Haptic keyboard improves feel of typing on iPhone

iOS 16 Apple Pay and Wallet

- ★ Apple Pay Later - split costs into multiple payments
- ★ Track your orders
- ★ Securely share keys
- ★ Verify your identity in apps without the need to use CAPTCHAs
