Item 1 on the agenda was Feedback from the December Pizza party. Kent mentioned that he received favorable responses to the party

Item 2 was Treasurers report. Kent indicates he still needs to get together with Nancy to pick up the new checks. Still need to cut checks for reimbursement of outstanding bills. The agenda also talked about reinstating the membership dues. There was discussion of either a token low dollar dues to confirm that our members wish to continue their membership, or just having a email form sent and responded to for the confirmation. Agreed to defer this item, as Margaret Wehbi was not present and would have input on this topic.

Item 3 was January Topic. President Jim Pernal confirmed that it would be on Mac OS Sonoma.

Item 4: Meeting Schedule. President noted that in December the last Wednesday is Christmas Dec 25. Agreed to leave the December date as TBD for now.

No new business. The meeting was Adjourned.

Let me know of any corrections or additions.

Jim Pernal
